Activities: Volleyball, Martial arts, Dance, Fitness
- Taekwondo hall: 300 m² of foam tiles, 2 boxing rings, 4 punching bags
Activities: Taekwondo, Evolution on mats, Boxing

The CREPS Hauts-de-France is welcoming high-level athletes for the development of their dual project of sporting and educational or professional success and participation in the national high-level sport network, the implementation of initial and continuing training in the fields of sport, youth and popular education and promoting health sport and sport for all, youth and popular education activities, implementing training identified by the regional training plan.

Gloria Sports Arena, Turkey

SPORTLICHE INFRASTRUKTUR:

- 4 Neoshock parquet courts from Connors/ USA with FIBA approved Ceiling Hung Posts – GARED (USA)
- 2000m² main gym with Technogym Cardio & Strength Training Devices
- Weightlifting studio with ESP full racks and free standing platforms
- Combat sports studio with functional training equipment (TRX, Bosuball and Pilates Balls)

Being the largest sports facility in Turkey, Gloria Sports Arena is an ideal training platform for highly professional athletes, teams and clubs of various sports disciplines. At the same time there is also an opportunity to train for beginners and for the tourists who choose sports as a lifestyle as well. In Gloria Sports Arena there are facilities and professional equipment for more than 50 sports branches.

Olympic Training Centre Papendal, Netherlands

SPORTLICHE INFRASTRUKTUR:

- Multi-Sports Hall 1 (for badminton, handball and others): 2 Sports halls, 2 Strength training rooms (one combined with a 70m sprint hall), A Boxing ring, A Shooting range
- Multi-Sports Hall 2: Volleyball court, Wheelchair Basketball court, 4 Strength Training rooms, Technical athletics hall (for throwing, high jump and pole vault etc.), 130m long Sprint hall (for sprint, hurdles and long jump), Martial Arts Hall

Formerly known as National Sports Centre Papendal, the Olympic Training Centre Papendal was originally built for Nederlandse Sport Federatie (NSF) - the confederation of all Netherlands sport associations and sports linked organizations. It is the largest of the four Centres for Elite Sports and Education (CTO) in the Netherlands. Covering the area of about 132 hectares, its buildings are surrounded by trees and shrubs (it's situated in Veluwe woods) and it is about 8 km from the city of Arnhem.

Nirvana Cosmopolitan, Turkey

SPORTLICHE INFRASTRUKTUR:

- 5 multipurpose indoor sport courts (4 of which are with parquet floors and 1 of which are polyurethane)
- 4 professional basketball courts that comply with FIBA norms
- Polyurethane flooring that conforms to CEV norms
- 5 Sets of Volleyball Net-Direct Equipment

Designed with the mediterranean spirit, Nirvana Cosmopolitan offers a concept that harmonizes the city's possibilities with the coastal vacation. The facility has two important values that make a difference in the region; with cosmos city & performance hall, the facility hosts important congresses and meetings, magnificent wedding organizations, various product launches and art-filled days and, since it has special sports fields built in accordance with professional dimensions, it provides high level service to sports camps. Going beyond the usual all-inclusive food and beverage concepts, with local & healthy foods, the concept of healthy life is at the forefront at every stage. With this unorthodox and significant change, the difference of a whole new perspective is being felt by the guest.

Zayed Sports City, United Arab Emirates

SPORTLICHE INFRASTRUKTUR:

- Indoor Sports Pavillion with glass panels, 600 m2, natural and overhead lighting
- 3 Beach volleyball or Beach tennis courts
- Olympic sized boxing ring
- 13 Billiards tables
- Roller skating track

Versatile, iconic and unique, Zayed Sports City (ZSC) is home to world-class venues that host sport and entertainment events of all shapes and sizes. ZSC is a state-of-the-art sports facility that was built to reflect the United Arab Emirates' (UAE) passion for sport. Inaugurated in 1980 it remains the premier entertainment and sporting destination in the UAE.

Sports center Gripe, Croatia

SPORTLICHE INFRASTRUKTUR:

- judo hall - 280.00 m2. the hall is used for judo, but it can also be used for other martial arts, except for boxing, and for recreation.
- martial sports halls - 2 x 185,00 m2, 2 x 160,00 m2. the halls are used for karate, boxing, kick boxing and taekwondo.

Sports center Gripe in Split is a comprehensive sports facility equipped with a wide range of amenities to accommodate various sports and physical activities. The sports base features various training equipment and specialised facilities to cater to athletes and fitness enthusiasts of all skill levels. It also offers a range of programs and services such as individual training, team practices, and competitions. The facility is staffed by experienced instructors, trainers, and coaches, who are available to assist and guide individuals in reaching their goals.

Daima Biz Sports Complex, Turkey

SPORTLICHE INFRASTRUKTUR:

- 4 Football Fields: 70x100m, 70x80m, 50x90m, 65x100m
- Indoor Multi-Purpose Sports Hall (40x60m)
- 3/3 pieces Basketball Court
- 3/3 pieces Volleyball Court
- 1/3 pieces Handball Court
- Tennis court
- Archery range
- Fitness center with various training equipment

The Daima Sports Complex provides its services to the most valuable sports clubs and athletes. The Daima Sports Complex brings together professional football teams for camping and training periods, tournaments and various activities in the unique nature of Kemer. It accommodates all the necessary equipment and training facilities in order to practice a wide range of sports and sports activities, including basketball, volleyball, handball, wrestling and more.
